

Towers - 4x4 hard (1)

These come from [Simon Tatham's Portable Puzzles](#).
It's more challenging to solving them using blocks rather than pencil & paper.

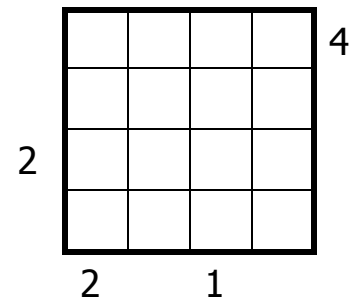

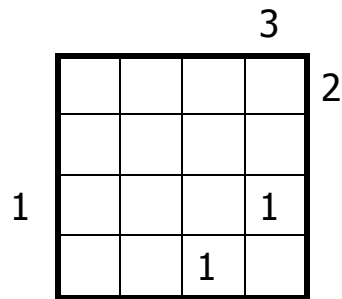

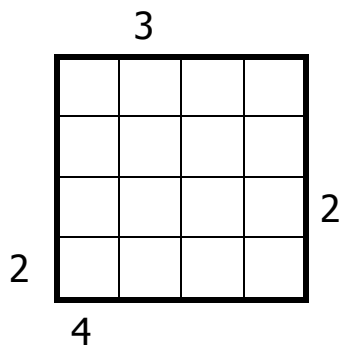

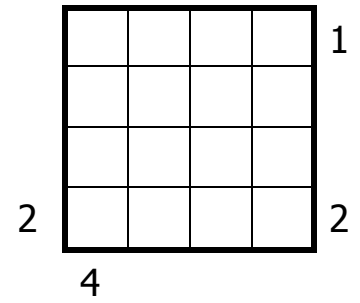

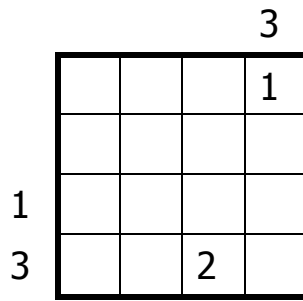

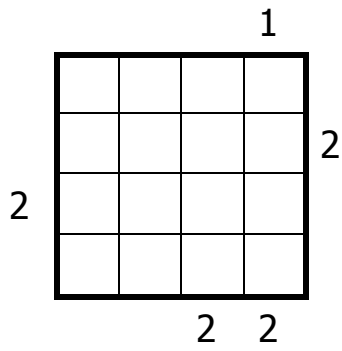

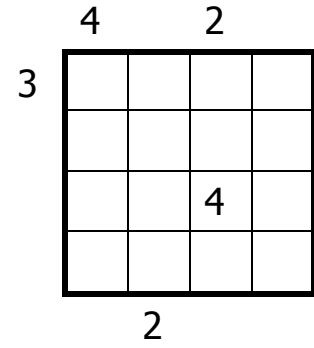

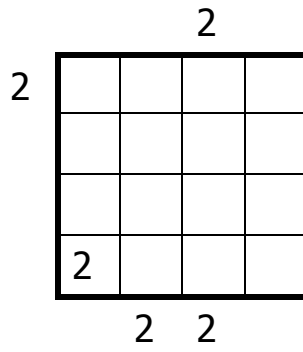

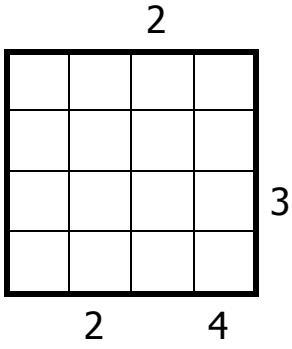

Towers - 4x4 hard (2)

These come from [Simon Tatham's Portable Puzzles](#).

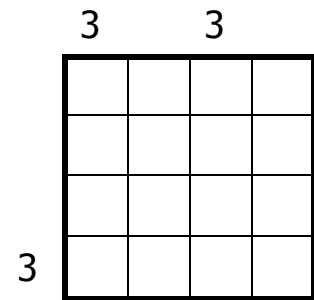

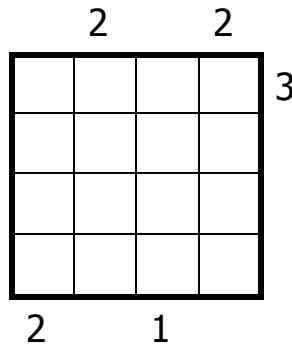

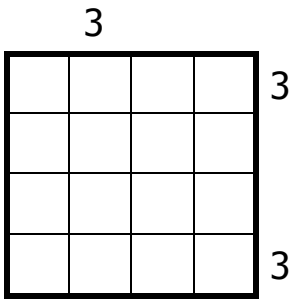

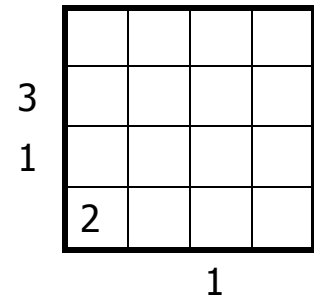

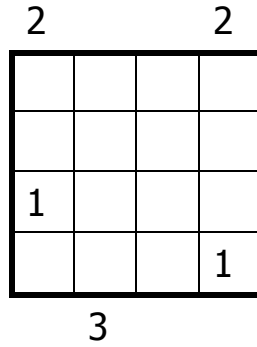

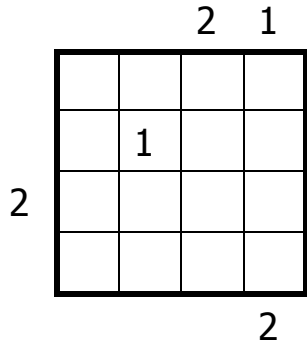

Towers - 4x4 hard (3)

These come from [Simon Tatham's Portable Puzzles](#).

Towers - 4x4 hard (4)

These come from [Simon Tatham's Portable Puzzles](#).
 You'll find bigger, harder puzzles there, and also at [Brainbashers](#).

and just for fun, here are three that are a bit harder....
